Uploading your photo in Touchpoint - App

1. Open the St. Luke's App.

2. Sign in by clicking "sign in" on the upper left.

3. Once you are signed in click on the head icon. –

< 5xc3	My Profile
(82)	Information
移	Family
\$	Giving
88	Involvement
0	Location
0	Settings
	Sign Out

4. On the "My Profile" page click the head icon above your name.

 Crop the photo to your liking and then click
"Crop & Save" in the lower right corner.

5. Click "New Picture" in the lower left corner.

6. Upload a photo or take a new photo by selecting "from Camera".

8. You should now see the photo displayed on the "My Profile" page.
