

Is HSY for me?

Life in high school can be stressful with family, homework, work, friends, and sports. Let Sunday evenings be a time for you to gather with friends and rest in God's Word and Grace. High School Youth meets weekly on Sunday evenings from 6-8 pm in the Youth Room which is located on the front side of the Family Life Center. This is a time for high school youth to meet new people, catch up with old friends, grow in their faith!

Partnership

At St. Luke's, we look at youth ministry as a partnership. The staff and youth mentors commit to being available each week. We want to assist you in the raising up of solid Christian youth in a culture that goes against most of what we believe.

Please feel free to contact me directly with any concerns you might have regarding parenting a teen, topics we may cover in HSY or cultural issues you just might need some help discussing with your youth.

Covid 19

Your health and safety are a priority to us so we are taking extra safety precautions with our youth! We are encouraging good hygiene and sanitizing surfaces regularly. Masks are required, however youth may not be six feet away from each other at all times. If you are not comfortable with this, we completely understand. If you have another questions or concerns about HSY Summer Nights, please let us know!
