Jesus and Me

JAM, which stands for “Jesus and Me,” is a fun, active, dynamic ministry designed for students in the 7th and 8th grades. JAM events occur about twice a month, typically on Friday nights from 7:00-9:00 pm. A typical gathering incorporates three things: Bible study, fellowship, and small groups. This ministry builds peer relationships and motivates students to develop their life-long relationship with Jesus Christ.

Who can come to JAM?

You can! JAM is for all 7th and 8th grade students. That’s right—all. Bring your friends from church, school or the neighborhood and get ready for a great time!

Our goal is for students to be....

1. Aware of their identity as a redeemed Child of God;
2. Equipped to fully participate in the life of the community of faith.

Mentors and Parents

Research has shown a direct relationship between the maturity level of faith in teenagers and children and their opportunities to discuss faith issues with their parents and other adults. These relationships with adults are particularly pivotal for middle school students. JAM intentionally utilizes mentors and parent volunteers. Parents are our most important partners in ministry. We believe that parents (not the church) will always be the biggest influence on their children's lives in every way—including spiritually. We want to work with you, the most powerful, influential people to help our students grow in their faith! Interested in mentoring? Let us know!

How do I register?

New faces are always welcome! These events are open to all 7th and 8th graders! You can always sign up same day!
