MISSION

Our mission is to empower young people to lead Christ filled lives.

Why Are We Here?

WE VALUE

Knowing Jesus:

Hear about Jesus and talk about God's Word every week.

REAL

Relationships: We need people who can be silly with us while we're playing games. But we also need people who show up for us when life happens. We build real relationships by doing both.

HEARTS

of Humility: Count on being able to humbly be yourself.

SACRIFICIAL

Service: God has served us by giving up His entire life for us. In gratitude for that gift, we give a little bit of our lives to those surrounding us.
