

St. Luke's Lutheran Family,

Merry Christmas St. Luke's Lutheran. Sarah and I write to you today to express our gratitude for the prayers and patience you have shown our family throughout this call process. In a world that continually tries to speed us up, the people of St. Luke's never rushed us and you provided support along the way. Thank you!

We believe that when God's timing is revealed, the outcome is more beautiful and better than anything one could have planned for themselves, making the wait worthwhile. Having our son Noah back from his freshman year of college enabled us to pray through and wrestle with this divine call as a whole and complete family. Together we believe that God is in fact calling us to join the people of St. Luke's and for me to accept the call to serve as Superintendent.

We are honored to have been called at this perfect time to lead alongside Pastor Tige and the amazing team God has assembled at St. Luke's. We look forward to getting to know you and labor alongside you as we continue to strive to awaken the hearts of every generation to the power of life in Christ. I ask that you keep St. Mark Lutheran Church and School in your prayers as well as we enter into 2026, resting in the peace that God is in control.

We are excited to be with you soon!

Forever Grateful,

Dallas, Sarah, Noah, & Sophia Lusk
