LERT Members and anyone interested in helping out.

Let's serve together and prepare for the season ahead!

PLEASE BRING:

WORK GLOVES

STURDY SHOES

ANY TOOLS you may be willing to use or share

Many Hands. One Mission. Ready to Serve.

THANK YOU FOR YOUR WILLINGNESS TO SERVE!

Dear St. Luke's LERT Members and Friends,

As we are preparing for the upcoming hurricane season, we invite you to join us for a ***Hurricane Season Kickoff Workday*** on **Saturday, June 6**, at our campus.

We'll primarily be focusing on debris cleanup and chainsaw work on the newly purchased property as we work together to prepare the space and strengthen our readiness for future response efforts. At the main campus, the north wooded lot, school playground and other areas may need a little attention, too. Our equipment trailer and all its contents, which includes much of what will be used Saturday, will be inventoried, assessed for damage/replacement, cleaned up and organized.

Whether you are an experienced LERT volunteer or simply interested in lending a helping hand, we would love to have you join us! This is a great opportunity to serve together, connect with others, and help prepare for the season ahead. If helping others is a passion and you are interested in becoming LERT trained, please talk to Paula Bass or Bill Langston on 6/6 and we'll add you to the list for an upcoming training class to be held at St. Luke's.

Please bring work gloves, sturdy shoes (no open-toed shoes allowed), and any tools you may be willing to use or share. Ensure your tools are marked to avoid inclusion to our inventory. Bring your water bottle and a sweat towel! We will meet at 8am in the Cafe for sign-in, team assignments, devotion, etc.. Lunch will be provided when we are done!

Thank you for your continued willingness to serve as a LERT team member. You are very much appreciated!
